

Yuge 30 Years Of Doonesbury On Trump By G B Trudeau

"Pressestimmen 'Trump and 'Doonesbury' The Comic Gift That Keeps On Giving' (The New York Times)'How Doonesbury predicted Donald Trump's presidential run 29 years ago.' (The Washington Post)'Why so surprised, America? Doonesbury has been preparing us for President Trump since 1987.' (USA Today)'If anybody thinks Trump can do a presidential pivot and change his personality 'Yuge!' should be required reading.' (The Daily Kos)'The first thing to know about Trudeau's Trump strips is that they're funny as hell...There have been many election-season caricatures of Trump, but Trudeau's been doing this for 30 years. He's practically the court artist of Castle Trump, and no one can beat him (not even Trump, whose capacity for self-parody can't be overstated).' (Cory Doctorow, Boing Boing) Æber den Autor und weitere Mitwirkende G. B. Trudeau has been drawing his Pulitzer Prize-winning comic strip for more than forty years. In addition to cartooning, Trudeau has worked in theater, film, and television. He also has been a contributing columnist for the New York Times op-ed page and later an essayist for Time magazine. He is a fellow of the American Academy of Arts & Sciences. He lives in New York City with his wife, Jane Pauley. They have three grown children."
