'Julian is a Mermaid', is one of those gems. [...] A wonderfully uplifting read, with refreshingly rich and diverse characters, this story is the perfect book for ALL children out there. [...] This powerful but gentle read, 'Julian is a Mermaid' transcends gender stereotypes, body-shape ideals, ethnic background and family dynamics. Brimming with acceptance and celebrating individuality, there's something for everyone in this book." * Picture Books Blogger * [...] one of the most beautiful books we've come across... artistically satisfying to a child & adults eye. But most importantly, it's a book about embracing differences, understanding individuality and freedom to express your inner creativity. We're totally in love with this one! We recommend this book for your little ones. * The Motherhood Group * "This book is sick for so many reasons [...] So many layers to these illustrations. [...] [Jessica Love has] now in my opinion written one of the best children's books of our children's time." * Liv, UltimateGirlGang * "Easily my favourite book of the year. A glorious ode to inclusivity, diversity, transcendence of societally determined "norms", and fierce, fierce love. Jessica Love has thrown down a marker for her fellow picture book artists - challenge, push, and play. The result is not just artistic perfection, but a book which serves as a giant hug for those who feel their dreams must be deferred for fear they are too different. A book which says, I see you for all of who you are, and you are fabulous." * Stephanie Cummings, Two In A Tepee * "Vibrant watercolours are splashed deftly across pages inhabited by stunning Sendak-esque characters, as we find ourselves whisked away on Julian's journey of self-discovery. Julian is entranced by three women he sees on the subway and with his grandmothers help he begins his transformation into a beautiful mermaid. A joyful celebration of diversity and embracing your own individuality. One of the most beautiful and gently inspiring books of 2018." * WRD * "This creatively told book does a great job at dismantling gender stereotypes without being preachy." * Evening Standard * "This joyful picture book with outstanding illustrations has stayed with me all year." * The Irish Independent * "With love and acceptance bursting from its pages, Julian Is A Mermaid by Jessica Love is a celebration of being yourself. [...] Sparse text and sublime

illustrations give the book a magical feel as real life shifts in and out of Julian's imagination. This stunning book exudes warmth and joy." * The Scotsman * "A powerful but gentle read Julian Is A Mermaid transcends gender stereotypes, body-shape, ethnicity and family dynamics. Brimming with acceptance and celebrating individuality, there's something for everyone in this book." * Sarah Yewman, Picture Books Blogger * "This utterly gorgeous picture book is great for questioning our gender stereotypes but without being at all preachy. " * The Sun * "The book contains fewer than a hundred words, and yet it encompasses so much; a longing for transformation, glamour and acceptance, the terror of transgressing and of being rejected, and the soaring joy of winning approval for one's own unique, authentic self. Julian Is a Mermaid doesn't need to be read as a transgender story (although it can be, in the most gentle and age-appropriate sense). More broadly, it is about acceptance, and the power of those closest to children either to shame them into harmful conformity or to welcome and celebrate their self-expression. It is also a book that foregrounds often unsung beauty - whether the curvy, powerful Black and Latin women at the swimming pool, or the old men in shorts and shirts of sultry, vivid colours, sitting in folding chairs." * Times Literary Supplement * "While on the subway with his abuela, Julian notices three mermaids. Mesmerized by their beauty, all of Julian's thoughts are consumed by wanting to be a mermaid, too, but he is afraid of what his abuela might think. In her author-illustrator debut, Jessica Love delivers a delightful story of celebrating what makes us unique and a joyful read for anyone in need of a little love." * Time Magazine Online * "Julian Is a Mermaid is fabulous in every sense. A remarkable debut that should be sashaying off the shelves, it will particularly appeal to those parents and carers with a penchant for RuPaul's Drag Race." * The Guardian Online * "If there's one thing you check out this month make it this delightful children's book [...] it'll make you want to read it to any young'un in your life immediately. Perfect as a tie-off to Pride month, and to get you in the mood for carnival season, it's a lesson in self-love for all ages!" * Pride magazine * "Capturing the simple, joyful playfulness of a gender creative young boy and his wonderful grandmother this is one of the most heart-moving and beautifully illustrated children's picture books we've ever read. [...] This book is a luminous carnival of joy." * Attitude * Beautiful [...] Magnificent [...] Lovely [...] Magical [...] Gorgeous * RuPaul of RuPaul's Drag Race * This is Jessica Love's debut picture book, and every choice she makes - the spare text, a color palette both muted and lively, full-bleed pages that make even subway cars and apartment rooms feel as expansive as the ocean - imbues the story with charm, tenderness and humor...Alongside Julian, readers learn that anyone can be a mermaid: All it takes is love and acceptance, a little imagination and a big swishy tail." * The New York Times Book Review * "The stand-out title this month is a picture book, Julian Is a Mermaid by Jessica Love. [...] In the bravura feat of understated storytelling, the richness of Julian's free-floating imagination is caught in images layered with colour, movement, muscle and life, celebrating black and Latino experience. Julian invents a tail and flowing hair, and Nana's acceptance, as she accompanies him on a wild parade of mermaids, will leave the reader filled with joy." * The Guardian * "celebratory and groundbreaking" * The Sunday Times Culture/The Sunday Times Ireland * Reseña del editor **Mesmerizing and full of heart, this is a picture book about self-confidence and love, and a radiant celebration of individuality.** While riding the subway home with his Nana one day, Julian notices three women spectacularly dressed up. Their hair billows in brilliant hues, their dresses end in fishtails, and their joy fills the train carriage. When Julian gets home, daydreaming of the magic he's seen, all he can think about is dressing up just like the ladies and making his own fabulous mermaid costume. But what will Nana think about the mess he makes and even more importantly what will she think about how Julian sees himself?
