

## Centurio Italian Edition By Massimiliano Colombo

**Un grande romanzo storico Bestseller in Spagna Roma contro Roma Un'epica storia di guerra, amore e giustizia** «Il tuo grado ti imporrà la solitudine, che sarà per il tuo spirito quello che il cibo è per il tuo corpo». 80 a.C. Caio Emilio Rufo è una recluta che milita nelle coorti di Lucio Cornelio Silla, durante la guerra civile che sta dilaniando la Repubblica. È un giovane idealista inesperto, non ancora diventato uomo. Dalle vette innevate dei Pirenei alle battaglie navali al largo delle coste dell'Africa, Caio Emilio si addestra a combattere le legioni del più astuto e acerrimo nemico di Roma, uno dei più grandi comandanti di tutti i tempi: Quinto Sertorio, parente e fedele generale di Caio Mario. Nell'assolata Spagna romana, popolata da genti fiere e bellicose, Emilio affronta le prove che questa odiosa guerra gli impone tra guardie, scorte, battaglie, assassini, tradimenti e agguati. Subisce le angherie del suo spietato centurione e in cuor suo riconosce il valore dei nemici che sta combattendo, vessati dagli abusi della dominazione romana.

Schiacciato dalla sorte avversa, senza più nulla in cui sperare, Caio Rufo attraversa il mare e giunge nei roventi deserti della Mauritania; lì, con la gola riarsa e la pelle scottata dal sole, incontra il nemico che era stato addestrato a uccidere. Emilio capisce che il destino che l'ha condotto fino a quel punto l'ha reso più forte, tanto forte da fargli intraprendere un nuovo viaggio, che lo condurrà tra le file degli Immortali. «Un romanzo storico scritto con il rigore di chi conosce bene la storia militare.» **Tiempo** «Un romanzo appassionante di storia e di onore.» **El placer de la lectura** «Ci circonda dei cuori e delle anime dei legionari protagonisti del romanzo.» **Revista Crítica Massimiliano Colombonato**
